

Box Up Table Cloths

Made from 100 % Polyester with Micro Suede Finish.

Box Up Table Cloths require no skirting clips, pins, skirtings or additional labour. Micro Suede Finish provides grip and resistance for application while planting note pads and papers firmly. Micro Suede finish is thicker than standard plain fabric

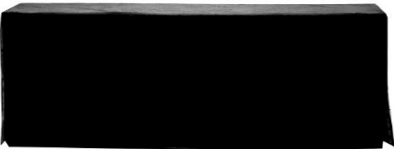

Double Stitched All Sides

Front, Top and Sides are all stitched means eliminating the need for pins, slips, skirtings and further involvement in labour. Double stitched for durability
